MASTER DETOX PROGRAM

Experience the profound wellbeing that comes with a thoroughly cleansed and purified system, a rested body, and perfect mental balance. This life-changing cure harnesses the power of genetics, cellular and nutritional science, combined with the latest medicinal technologies in a program

tailored to your exact DNA and health profile. You'll be amazed how much stronger, healthier and full of vitality you can feel!

Inspired by Clinique La Prairie's holistic and science-led approach, this powerful cure creates a dramatic transformation. Your personalized program combines advanced genetic testing with detoxifying therapies, and takes place in a breathtakingly beautiful Swiss alpine setting to cleanse, rebalance, and strengthen your body and mind. The seven-day experience leaves you with a feeling of sensational – and lasting wellbeing.

Objectives:

- Eliminate toxins and cleanse your system
- Strengthen internal defences and organ function
- Maximize your energy

Duration

7 days, 6 nights, from Sunday to Saturday
